

"hometown banking with your neighbors and friends"

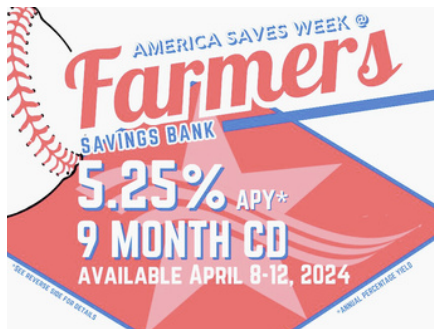

New Credit Card Options!

If you haven't heard the word or seen our signs in the lobbies, there's a new credit card partner at FSB and we want to spread the word!

There are credit card advertisements everywhere these days so if you're in the market for a credit card, it can be hard to know who to trust. And that's when you call up your friends at your hometown bank!

We offer a wide variety of cards for both personal cards and business cards. You can check them all out on our website! We are also happy to assist with any questions on the cards or during the application process. For your convenience, we also offer multiple ways to apply, including applying online or via the mail.

Farmers Savings Bank is here to serve YOU! Give us a call today.

Travel the World With Us

If you're over 50 and haven't inquired about joining FSB's GEM Club, what are you even doing?!

This August, many of our GEM Club members are taking the trip of a lifetime and traveling to Northern Ireland and Scotland. This is one and a half weeks of guided tours through beautiful country and even includes a stop at St. Andrews Old Course, where the game of golf was first played 600 years ago. The signup for this magical trip is now closed, but there is another travel opportunity coming up that could be just the trip for you!

In June 2025, our GEM Club trip is to Utah's Mighty Five & Pikes Peak on a National Parks Vacation. There are lots of fascinating stops planned for this trip, including Canyonlands, the Air Force Academy, and Zion National Park. We have brochures in the office so please let us know if you are interested and we can get you one or set you up to visit with our trip coordinator, Dale Boeckenstedt.

Dale is also planning a second trip for summer 2025 and, while all the details have yet to be announced, we can tell you it will center around touring the Canadian Rockies by rail. Be on the lookout for more information coming out about this stunning vacation soon!
