While there are many exciting developments to share at Farmers Savings Bank, our hearts remain heavy with the loss of our dear friend and remarkable leader, Jolene Niehaus.

Jolene's kindness, strength, wisdom, and devotion touched countless lives, and no words on this page could fully capture the impact she had on our bank family. She was deeply loved, will be dearly missed, and her legacy will continue to live on in the many people she inspired at Farmers Savings Bank.

Our Customer Appreciation grill-outs in May were a success! We lucked out with the most beautiful days to grill outside & visit with everyone that stopped by.

Question: How long have you worked at FSB?

Alison: One year! I first worked here during college, then returned years later once my kids started school in the area. It's been really special returning to a place that already felt familiar.

Q: What do you love about working here?
A: Talking to our customers & my coworkers!

Q: Do you have a favorite service we provide?
A: I like our Star Checking/ Savings accounts because it has no monthly fees and has perks a lot of our other accounts don't have, like the interest rate you can be qualified for!

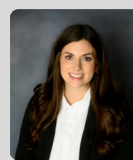

Q: What do you love about your hobbies and life outside the bank that we can share with customers & community members?
A: I enjoy spending time outside, chasing our three kids around & I love embroidering when I have time!
