

"hometown banking with your neighbors and friends"**SCAM ALERT!**

Crooks are after your money. And they just keep innovating new ways to get it.

Currently, a scammer favorite is impersonating bank employees in a devastating new phishing scam. Law enforcement has begun to see more and more reports of scammers attempting to deceive bank customers by telephone, text or email.

The following are some helpful reminders to help you stay safe in the face of these crooks:

1. Caller ID can be manipulated. Just because you recognize the name on the phone call coming in, doesn't mean it's legitimate. Exercise caution when receiving ANY phone call.

2. Your email inbox is the one place you can count on there being fraud activity. Never click email links or provide personal information to the sender of an unexpected email.

3. Scammers will often use trust-building tactics to gain information from you. They may start with harmless requests before escalating to information grabs that can cause real damage. For example, once a scammer has built trust, they will often begin making requests for information such as birth date or bank account information. Once they have this type of information, they are able to use it to do very real harm like steal money or identities.

Please always feel welcome to call into our offices or stop in and we can talk with you regarding any concerns!

September 13-19, 2025

Includes two days on the Rocky Mountaineer Train!

This trip is 2/3 full!

**Employee Spotlight:**

Brylyn Clute

Customer Service Representative

Question: How long have you worked at FSB?

Brylyn: Almost 2 years.

Q: What do you love about working here?

B: I love working at FSB because I have amazing coworkers. They are always willing to help out when it's needed, and they make the work place a fun place to be at.

Q: Do you have a favorite service that we provide?

B: My favorite service that we provide to customers is the Brella app, which is an app that anyone can use to monitor their debit card activity. The best part about Brella is the ability to block my debit card at any point in time. This is very handy if any debit card issues come up outside of banking hours.

Q: What do you love about your hobbies and life outside the bank that we can share with our customers and community members?

B: I love spending time with my family which includes my significant other Dillan, my son Boston, and my 2 fur babies Otis and Bruce. I also love to watch movies and tv shows.

Hours of Operations at Farmers Savings Bank remain unchanged in order to serve YOU!

All branches are open Saturdays at the drive-up from 8:30 - 11:00am and we will make appointments if you need further assistance in the lobby!
